NTS International Group Ltd

Company Profile

NTS International Group Ltd

Made in ITALY

NTS International Group Ltd

Introduction

NTS INTERNATIONAL GROUP Ltd. are a diverse, multifunctional Italian Company. Following the multiple changes in today's market, our business platform model has enabled our integration into newly established markets such as Qatar.

Our purpose is to guide and internationalise Italian brands promoting the export of the much acclaimed 'Made in Italy'.

Although a young company on an international scale, our expertise in diverse trades and markets enables us to commit to the guarantee of excellence, bringing the very best of Italian style and quality to you.

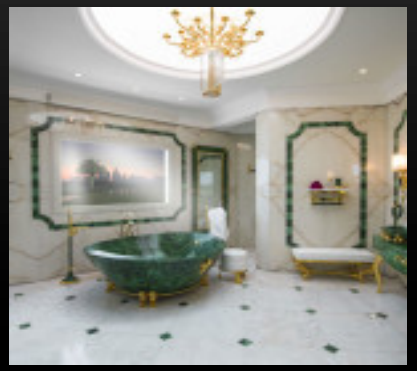
NTS International Group Ltd

Company Structure

We partner with only the very best - leading brands, finest artisan manufacturing teams, and cutting-edge technical personnel. This enables us to offer you something truly unique: the creation of the ultimate luxury custom-made home.

Our Qatari Branch dedicates effort and passion to its clientele, from consultation to delivery of your chosen masterpieces of Italian made, handcrafted pieces of furniture that fuse like works of art in the jewel that is your home.

Our bespoke service brings the experience & expertise of architects, interior designers and technicians to guarantee complete collaboration, and intuitive interpretation of the taste and requirements of our clientele.



Made in ITALY

Company Vision

Our commitment to customer care and robust engagement in researching the finest brands and personnel to deliver to you a uniquely stylish residence.

Our vision is to create art, to realise your dreams.
