NTS International Group Ltd

Born To be The Best

Our starting point is the great passion with which we cherish the art of architecting and furnishing luxury properties. NTS plaudits its dedication towards searching for and working only with the best; suppliers and our always esteemed clientele, alike.

NTS has built strong ties with the most acclaimed furniture producers on the global scene, with excellent production capability records, backed by modern and advanced techniques.

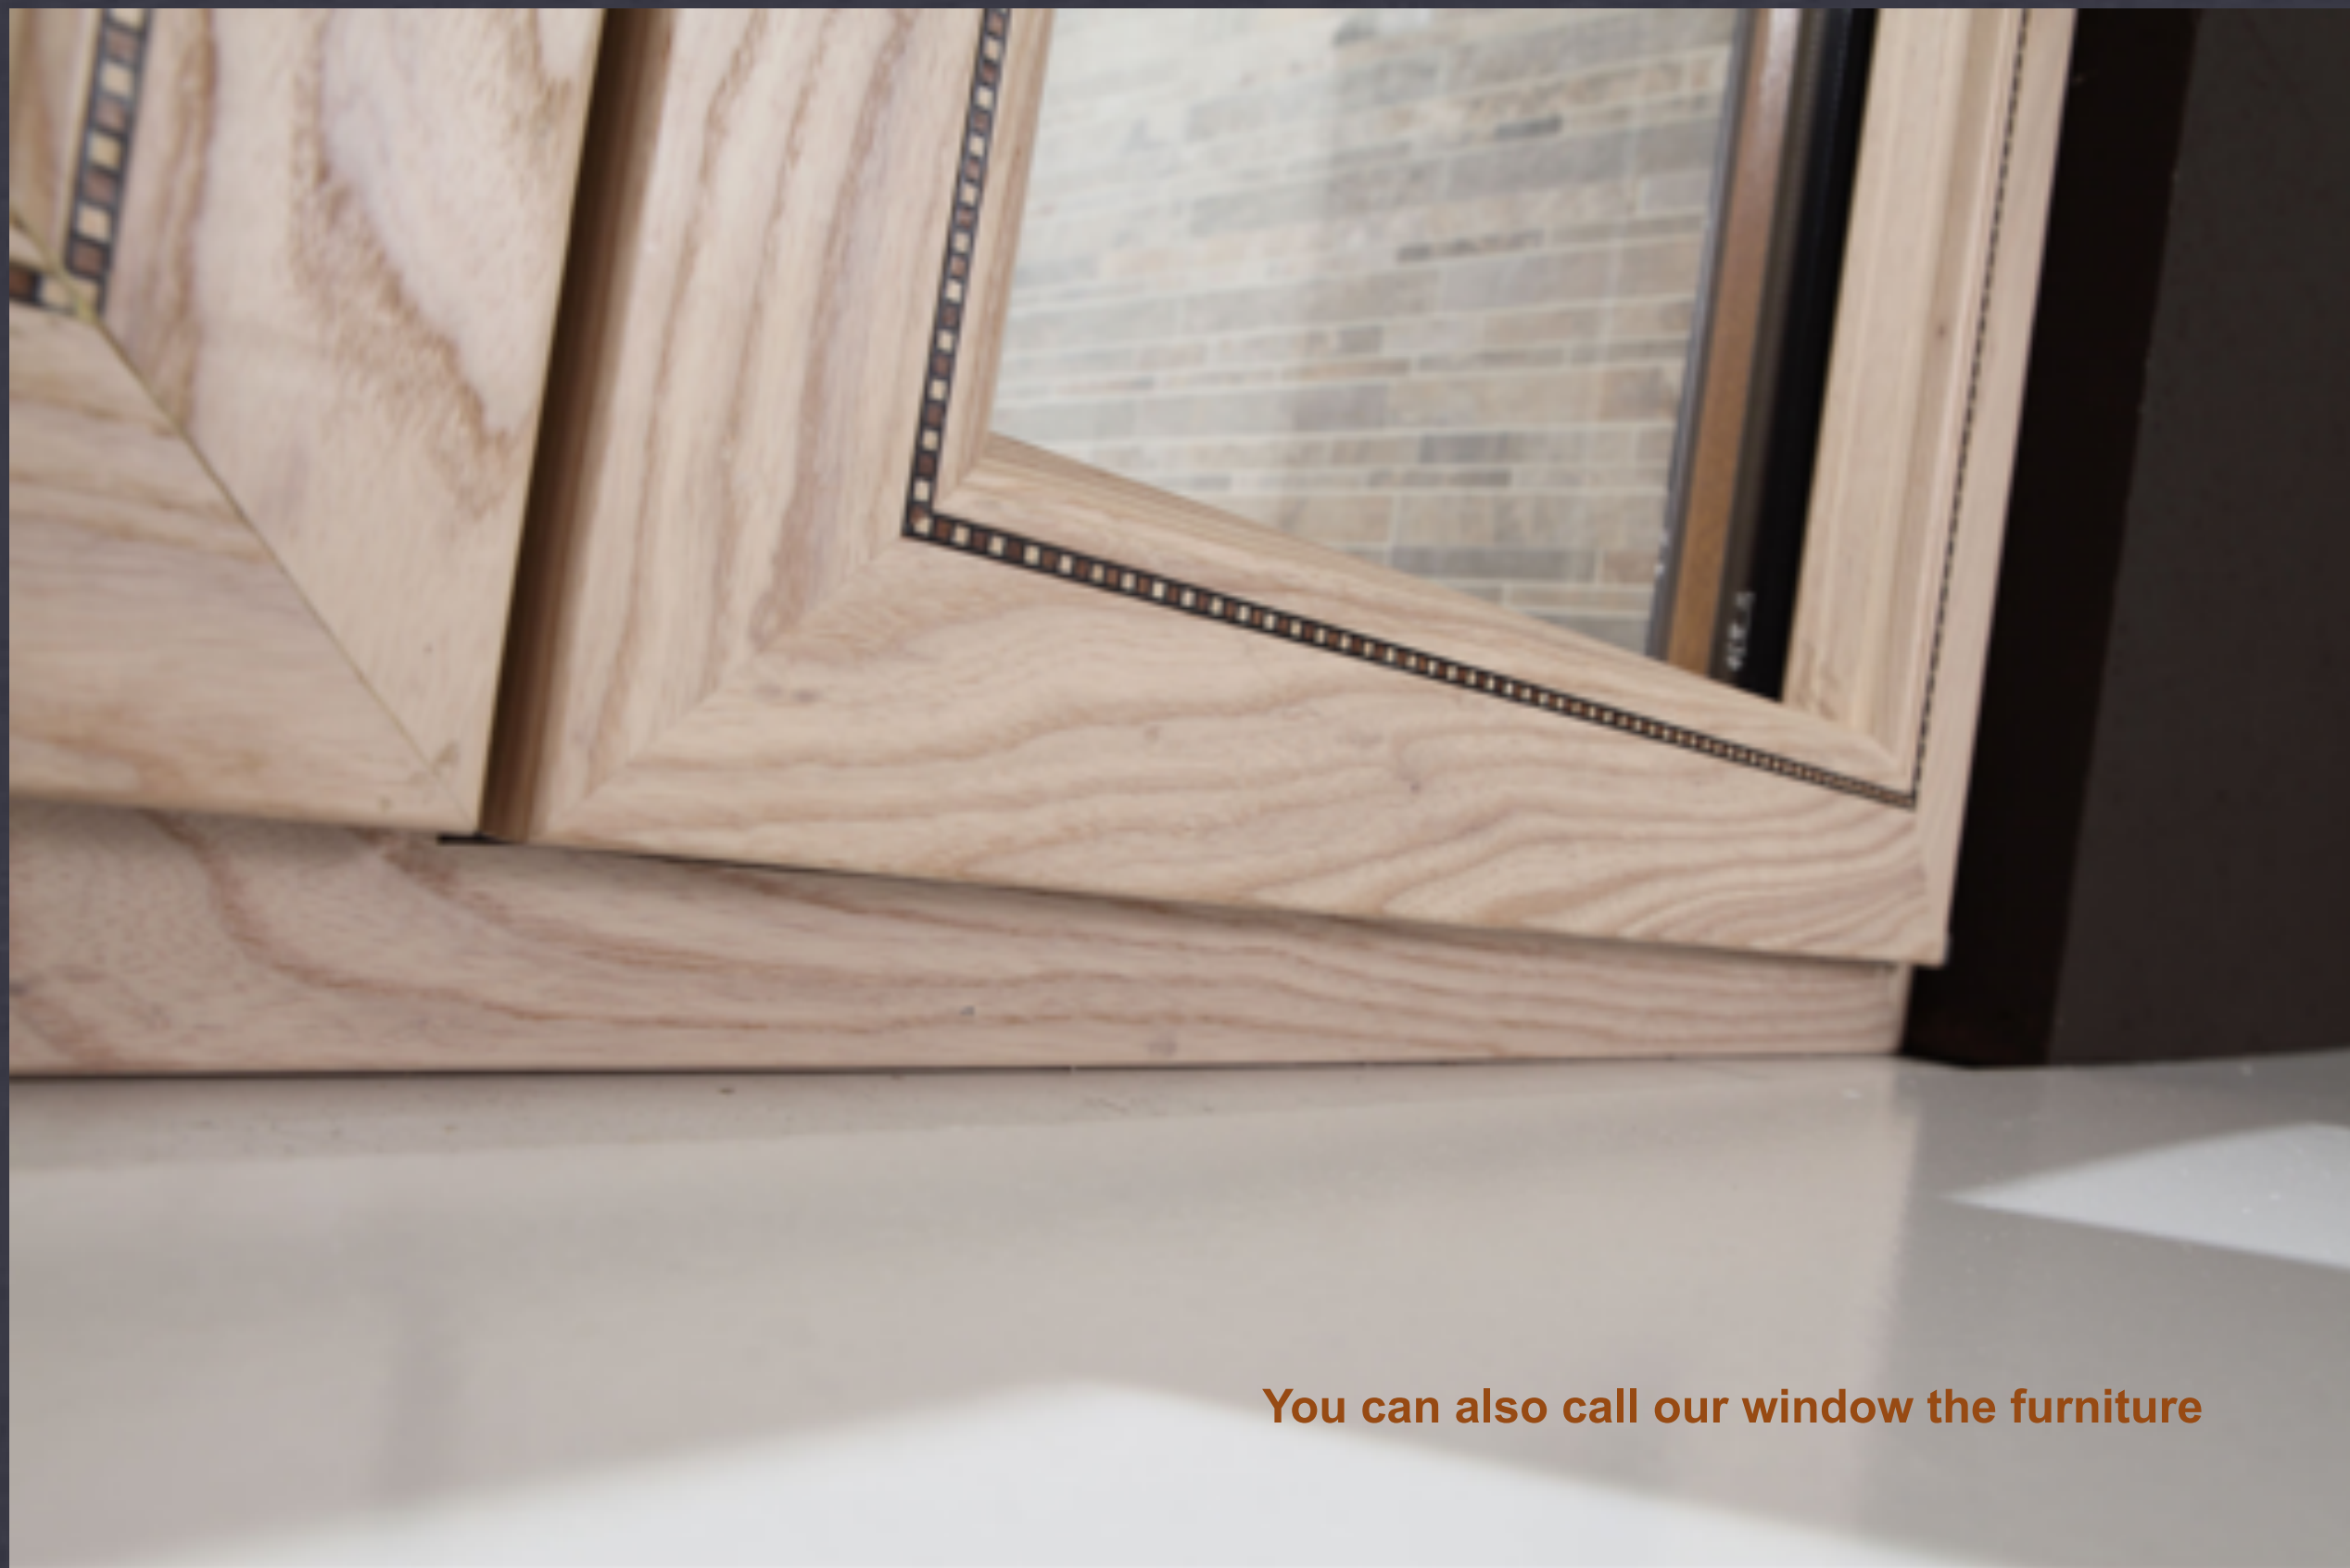

NTS is a Qatar established company, but within a short space of time has managed to root its presence in influential markets such as Italy, UK, Luxemburg and Tunisia, marking its competitiveness on turning into reality the requirements, dreams and desires of the end user.

NTS International Group Ltd

Since 2010 NTS International is focusing on Design consultancy, Procurement , supply and Project Management for the Hospitality industry and private villa. From 5stars luxury hotels, to apart-hotel and residences we have delivered turn-key solutions to Hotel Chain and Private villa.
